

SENATE RESOLUTION 672—EXPRESSING SUPPORT FOR THE DESIGNATION OF MAY 2022 AS “STROKE AWARENESS MONTH”

Mr. LUJÁN (for himself, Mr. BRAUN, Mr. VAN HOLLEN, and Mr. RUBIO) submitted the following resolution; which was considered and agreed to:

S. RES. 672

Whereas stroke, also known as a cerebrovascular accident, is an acute neurological injury that occurs when the blood supply to a part of the brain is interrupted by a clot in the artery or a burst of the artery;

Whereas stroke is a medical emergency that can cause permanent neurological damage, or even death, if not promptly diagnosed and treated;

Whereas, in the United States, stroke is now the fifth leading cause of death;

Whereas, in the United States, someone has a stroke every 40 seconds, and someone dies of stroke every 3.5 minutes;

Whereas approximately 795,000 people in the United States have a stroke each year;

Whereas the stroke-related costs in the United States came to nearly \$53,000,000,000 between 2017 and 2018, including the cost of healthcare services, medicines to treat stroke, and missed days of work;

Whereas stroke is a leading cause of serious long-term disability;

Whereas those disabilities may require ongoing physical, occupational, speech-language, and other therapy and surgeries;

Whereas the Centers for Disease Control and Prevention advises that the most effective stroke treatments are available only if the stroke is recognized and diagnosed within 3 hours of the first symptoms and recommends the public be familiar with and use the mnemonic F.A.S.T. to identify the signs and symptoms of stroke;

Whereas the F.A.S.T. mnemonic describes the symptoms of stroke, the methods for assessing those symptoms, and the actions to take in response to those symptoms and stands for—

(1) face drooping, observable when the person smiles and one side of the face droops;

(2) arm weakness, observable when both arms are raised and one arm drifts downward;

(3) speech difficulty, observable when asking the person to repeat a simple phrase and the speech is slurred or strange; and

(4) time to call 9–1–1, if any of these symptoms are present; and

Whereas the permanent health concerns and treatments resulting from stroke have a considerable impact on children, families, and society: Now, therefore, be it

Resolved, That the Senate—

(1) supports the designation of May 2022 as “Stroke Awareness Month” to increase awareness and education so that people in the United States know their risk factors and obtain treatment early;

(2) encourages the people of the United States to support the efforts, programs, services, and advocacy of organizations that work to enhance public awareness of stroke; and

(3) encourages continued coordination and cooperation between government, researchers, families, and the public to improve prognoses by increasing access to timely treatments for individuals who suffer strokes.

S. RES. 673

Resolved, SECTION 1. PRINTING THE STANDING RULES OF THE SENATE.

SENATE RESOLUTION 674—CELEBRATING THE 75TH ANNIVERSARY OF THE MARSHALL PLAN AND RECOGNIZING THE ROLE OF THE MARSHALL PLAN AS THE FOUNDATION OF A TRANS-ATLANTIC COMMUNITY COMMITTED TO THE PRESERVATION OF PEACE, PROSPERITY, AND DEMOCRACY

Mr. MENENDEZ (for himself and Mr. RISCH) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 674

Whereas, after World War II, the infrastructure, factories, and cities of Europe were in ruins and the people of Europe were in danger of famine and destitution;

Whereas, in a commencement address on June 5, 1947, at Harvard University, then-Secretary of State George C. Marshall proposed the framework of the Economic Recovery Program (commonly known as the “Marshall Plan”);

Whereas, in his address, Secretary Marshall declared that the Marshall Plan would be successful only with “foresight, and a willingness on the part of our people to face up to the vast responsibility which history has clearly placed upon our country”;

Whereas a bipartisan coalition of Congress overwhelmingly approved the Marshall Plan through the passage of the Economic Cooperation Act of 1948, which was signed by President Harry Truman on April 3, 1948;

Whereas, in that Act, Congress acknowledged that the “intimate economic and other relationships between the United States and the nations of Europe” and recognized that peace and general welfare on the European continent are in the national interest of the United States;

Whereas the Marshall Plan helped rebuild a battered Europe, restore peace and political stability, and reinforce democracy across the continent;

Whereas, under the Marshall Plan, the United States extended an offer of aid to all countries in Europe, without prejudice, including to the then-Union of Soviet Socialist Republics;

Whereas the Marshall Plan served as the foundation for transatlantic engagement and cooperation, which led to the establishment of the Organization for Economic Cooperation and Development (OECD) and the North Atlantic Treaty Organization (NATO);

Whereas continued Euro-Atlantic integration and cooperation are key to the protection of peace and transatlantic values;

Whereas the brutal and unprovoked invasion of Ukraine by Vladimir Putin, launched on February 24, 2022, threatens the peace and principles at the core of the transatlantic community;

Whereas continued transatlantic cooperation is vital to holding Vladimir Putin to account for his war of choice against the Ukrainian people, and supporting Ukraine as it defends its sovereignty and territorial integrity amidst unconscionable war crimes committed by the Armed Forces of the Russian Federation;

Whereas the United States, in cooperation with its allies and partners, is committed to helping rebuild and protect the democratic Government of Ukraine;

Whereas direct investment in the United States by European countries exceeds trillions of dollars annually, which is a direct result of the prosperous economy in Europe that was aided by investments of the United States; and

Whereas the German Marshall Fund of the United States, which celebrates its 50th anniversary in 2022, was established with a gift from Germany to express appreciation for the support the United States provided to Europe in the aftermath of World War II: Now, therefore, be it

Resolved, That the Senate—

(1) celebrates the 75th anniversary of the Economic Recovery Program (commonly known as the “Marshall Plan”);

(2) recognizes the role of the Marshall Plan in founding a transatlantic community committed to the preservation of peace, prosperity, and democracy;

(3) reaffirms that cooperation with allies and partners in the transatlantic community to protect shared values and principles is in the national interest of the United States; and

(4) congratulates the German Marshall Fund of the United States on its 50th anniversary and expresses appreciation for its work to champion cooperation between the United States and allies and partners in Europe.
